VOLUME XXIII

Published by:  
SENIOR CLASS OF  
NAHUNTA HIGH SCHOOL

Route 2  
Pikeville  
North Carolina

# Foreword

We the annual staff have tried in this yearbook to refresh your memories of Nahunta High School, and the activity that has prepared the previous graduates and is now preparing us for the future. As you turn the pages, may you enjoy the friendly attitudes, co-operation, dreams, hopes and ideas of the students and faculty.

All of these have had a part in molding students each year as they graduated from Nahunta. Within those who have graduated there is a warm glow of many memories. Yet students in lower classes, realizing that this is the last graduation class at Nahunta, anticipate finding a well rounded school life at the Charles Brantley Aycock School. Nahunta High School has seen many students set their goals and strive to achieve them. At times it has seemed hard but once we reach these goals we can look back and see it was "The Golden Gateway to the Future". What is the Golden Gateway? The doors of Nahunta that we have traveled through to reach the future.

Little cars from go-carts to Volkswagens appeal to her just so they are going places.

Mrs. Elizabeth L. Scott

Never a day goes by, but that she is teaching these girls to be better homemakers.

### TO MRS. SCOTT

We, the Senior Class of 1961, would like to express our deepest gratitude to you, Mrs. Elizabeth L. Scott. Your willingness to listen to our complaints and your cheerful disposition at all times have helped us, not only in our school life but also in our daily life. You have established a firm hold in our hearts and we hope in this small way we can express our deepest thanks to you for all you have done.

# Principal's Message

Mr. Morris, our new principal, was born in Pitt County. He attended Atlantic Christian College and received his Bachelor of Arts Degree there. He received his Masters Degree at East Carolina College. Mr. Morris has taught science at Chicod High School and Falkland High School. He taught at and was principal of Pactolus.

Greetings,

As another year of our life draws to a close, I extend to each of you my sincere congratulations for the attainments that you have thus far achieved. I trust that the instruction and direction that you have received at Nahunta High School this year has made each of you stronger and better equipped to take your places in life.

It has been a privilege to serve as your principal and I hope that the efforts of the administration have helped you to understand better the challenges which each of us must face and conquer in order to live in our changing world. As you go forward to fill your respective places in life, may there come something of that spirit exemplified in that well known verse:

"Be Strong! We are not here to play, to dream, to drift; we have hard work to do, and loads to lift.

Shun not the struggle - face it, 'Tis God's gift.  
Be Strong!"

Eugene Morris

Mrs. Hazel Holland is kept busy with her duties as secretary to Mr. Morris.

Mr. Morris' four member family includes his wife, Elizabeth; his daughters, Pat and Jeannie.

SCHOOL BOARD  
MEMBERS

Hardy Talton, chairman; Dewey Pate, and Joe Morris discuss the progress of the Charles Brantley Aycock School Building.

Mrs. Alma Holland, lunchroom manager, and her co-workers, Annie Cuddington and Retha Sasser, are busy as everyone rushes to lunch, after four long periods.

Mr. Sam Holland, our janitor, does a good job of keeping our school looking neat.

Mr. Grimes, guidance director, helps J. Ray Mooring fill out an application blank for college.

# CLASSES

Mrs. Doris Gurley, A. B., East Carolina College, English and French, Yearbook Advisor, Librarian, Beta Club Advisor, Junior Play Director.

*English is*

*the Only*

*Subject Required*

*by All Students*

All students are required to make a minimum of six book reports, but Sue Peacock, Jerome Hooks, Linda Bunn, and Sherby Tucker along with many other students add extra cards, of books read, to their pockets.

The "Reading for Understanding" program is given every Friday. Alma Linda Davis and Janie Crawford select the reading level for each student in English II.

With the aid of the tape recorder, record player and film strips, the French II class finds French more interesting and understandable.

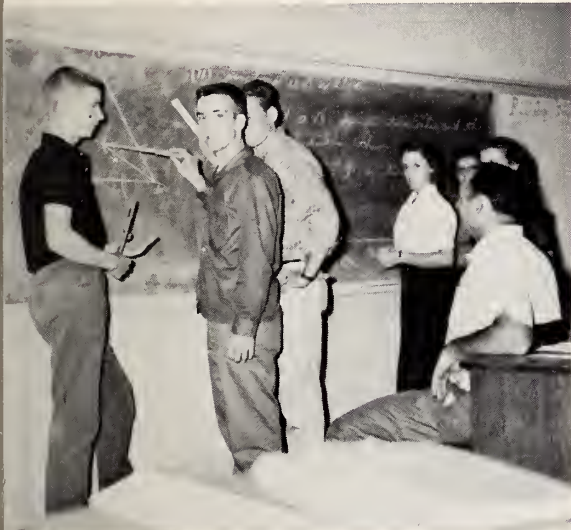

MATHEMATICS TRAINS THE MIND FOR  
EFFICIENCY AT HOME AND IN BUSINESS.

MR. CHARLES BOYKIN  
A.B., Atlantic Christian  
College  
Math

Albert, Jerome, and Braxton discuss  
how to bisect a triangle.

Algebra II students find it takes  
real concentration to understand its  
complexities.

Anna, Jean, and Bernice busily prepare  
their math homework because they know  
that math is needed in almost every type  
of work today.

Mrs. Elizabeth Scott, B. S., East Carolina College; General Science and Chemistry; Science Club Advisor.

Chemistry class performs its first experiment, that of making oxygen.

SCIENCE, THE KEY TO THE FUTURE, PROVIDES KNOWLEDGE OF THE UNIVERSE AND ITS INHABITANTS.

J. K., Jackie, and Joan show off their rock collection as one of the many projects made in general science.

Biology students, Ceil, Ann, and Larry risk poison ivy and wet feet as they collect plants and water life on their field trip.

Mr. Eugene Morris, A. B., Atlantic Christian College; Biology, Student Association Advisor.

In their world history class Nellie, Jimmy and Roseita mark the changes in names of territories from ancient times to the present.

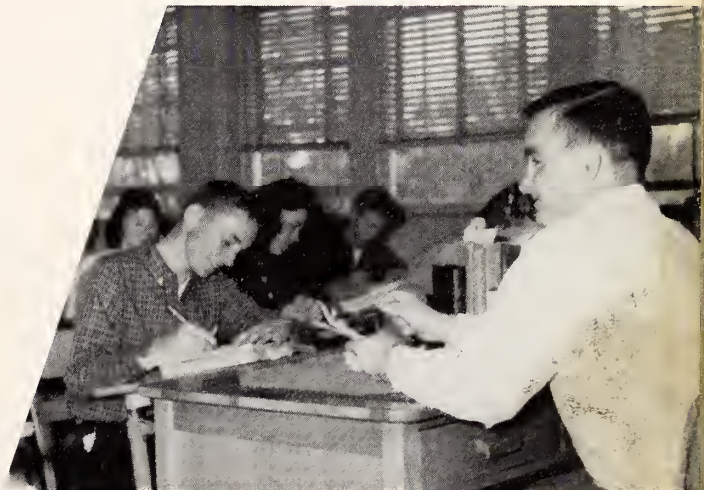

Mr. Darwin Williams, B. S. , Atlantic Christian College, Social Studies and Physical Education, Coach, Warrior's Club Advisor.

SOCIAL STUDIES AND PHYSICAL EDUCATION  
 BUILD HEALTHY, CONSCIENTIOUS CITIZENS--THE  
 FOUNDATION OF A STRONG AMERICA.

Janice and Faye study the human skeleton in health class which meets two days a week.

During the Kennedy-Nixon campaigns, world history and U. S. history students climax their debates and discussions by voting.

In Freshman physical ed. , which meets three days a week, students learn a variety of games. Here Fred and Mickey limber up by taking calisthenics.

Mrs. Elizabeth Scott, B. S., East Carolina College, Home Economics, F. H. A. Advisor, Senior Play and Trip Advisor.

In first year home economics Edna applies make-up on Christine as a part of their personal grooming unit.

HOME ECONOMICS OFFERS CLASSROOM  
WORK AND PRACTICAL EXPERIENCE  
IN THE ART OF HOMEMAKING.

Peggy Winders, a third year girl, enjoys making a suit.

Girls, you will be lucky to get one of these boys. During their week of home economics the boys studied cooking, color harmony and family relation.

Second year home economics girls find a unit in home nursing interesting as well as practical.

VOCATIONAL AGRICULTURE DEVELOPS  
AND ESTABLISHES STUDENTS IN FARMING.

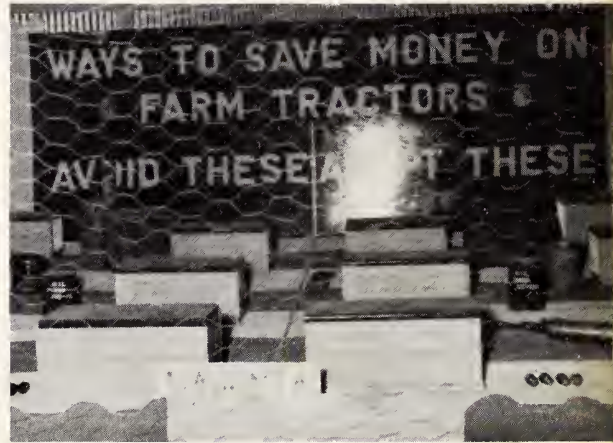

MR. JESSIE GRIMES  
B. S. , North Carolina  
State College  
Guidance, F. F. A. Advisor

Scottie delivers his speech pertaining to some phase of agriculture, which was a project for all second, third and fourth year students.

The F. F. A. fair booth placed first in the county this year.

John Wayne puts the finishing touch on his bookcase made in the shop.

One week in the shop proved fascinating to these girls.

Miss Velma Holt, B. A.,  
Meredith College, Junior-  
Senior Banquet Advisor;  
Yearbook Typist Advisor.

"Put this as a debit and this as a credit to make your books balance," Sue informs Jerome.

COMMERCIAL TRAINING  
LEADS TO BETTER BUSINESS  
OPPORTUNITIES.

Iris and Betsy illustrate how to write,  
"Shorthand always proves to be exciting."

In general business Frances learns the correct way to make a telephone call while Geneva uses the checkwriting machine.

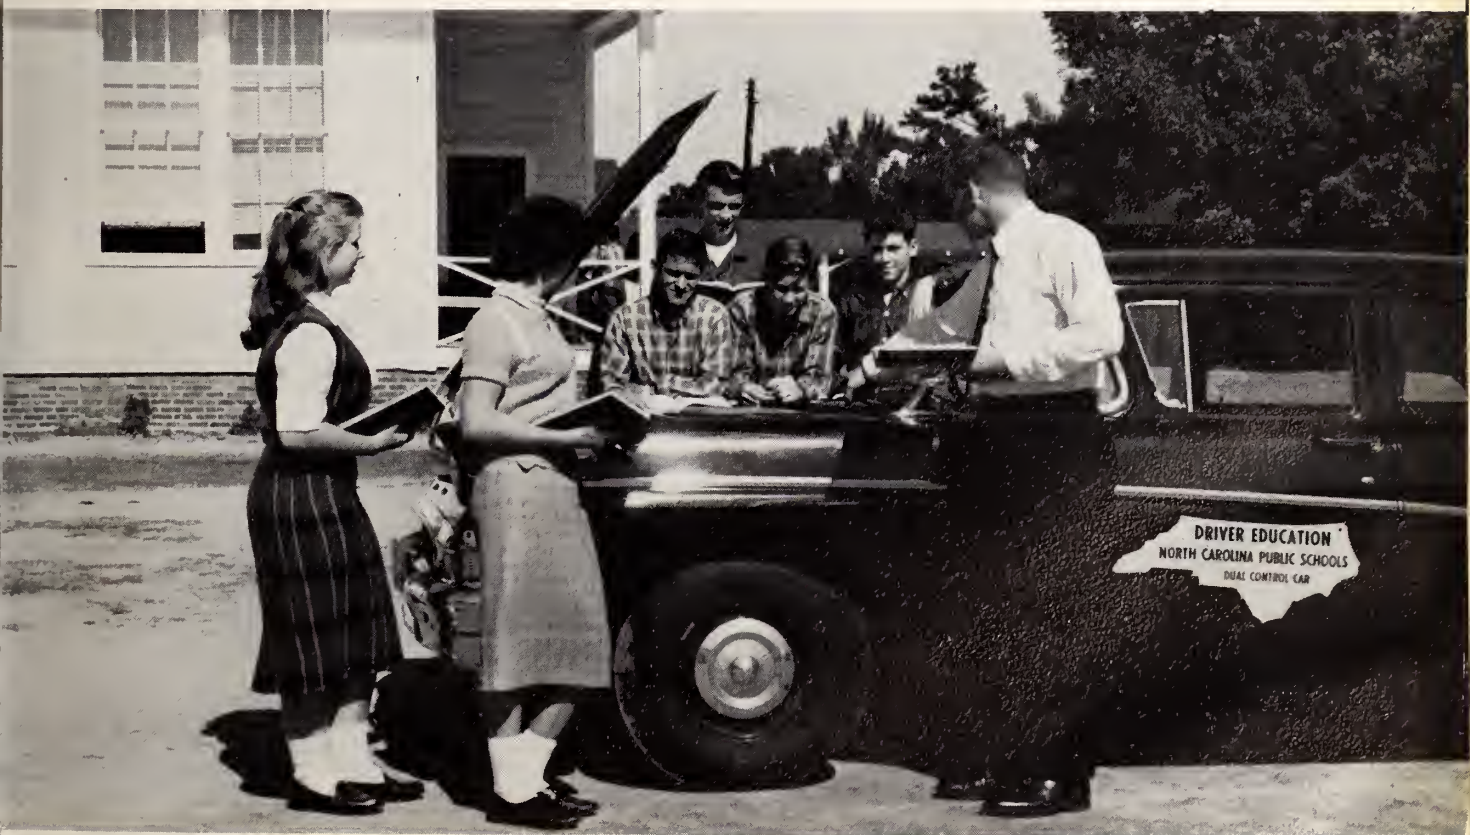

"Will I ever learn to make these fingers work on all these keys?" wonders Carol as do all first year typing students.

The typing class under Miss Holt's direction has rendered a real service by the tremendous amount of time spent in class and study hall typing sheets for our yearbook. For this service, we express a sincere "Thank you."

Drivers' Education is taught this year by Mr. R. V. Mason who attended State College and has an Industrial Arts Degree.

# NAHUNTA HIGH SCHOOL HISTORY

By  
Lillian Davis

From the first Nahunta has been outstanding in basketball.

The present front of the building.

The Nahunta School was formed in 1917 by the consolidation of Oak Plains and Edgewood School, both one-teacher schools. The school was originally located west of the present school site. A few years later Pleasant Hill and Gurley Schools were consolidated into Cogdell school; which became a part of Nahunta in 1924. This left only Aycock School and it was consolidated with Nahunta some 18 to 20 years ago.

The first session at Nahunta School was from the fall of 1917 to the spring of 1918. There were between 60 and 75 students. Mr. Earl Pearson was principal of the first graduating class in 1923, which was composed of J. Clee Davis, Priscilla Stuckey, Sallie Lee Peele and Albert Smith.

In 1924 Mr. Robertson was principal with only one senior graduating, Ralph Edgerton.

Graduating in 1925 were seven seniors with Mr. Ben A. Scott, principal. Mr. Scott also served as principal in 1926.

The brick part of the building was added in 1926 and 1927. Mr. Earl Edgerton became principal in 1927 and served for two years. Before becoming principal Mr. Edgerton taught at Nahunta.

In 1929 Mr. C. R. Lewis became principal and served for 17 years. The teacherage and principal's home were built in 1947.

The above right picture, the present back of the building which was once the front.

The principal's home at the left was built in 1947.

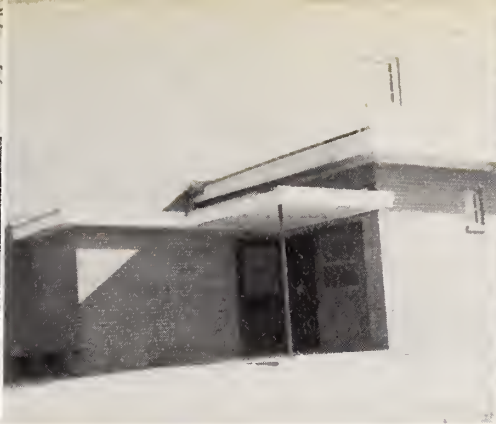

At the lower right, is the teacherage which was built in 1947 and in which three teachers now have apartments.

The lunchroom was built in 1948.

The gym was built in 1949.

The agriculture building was once the teacherage.

The lunchroom was added in 1948. In 1949 the gym was started. Although county funds were not sufficient for completing it, the people of the community raised the money for the completion.

In 1947 Mr. Bill Bryson became principal and served three years being followed by Mr. Preston Hollowell for a three - year period. Mr. Harry Beard, who was principal for two years, came in 1955.

Mr. David G. Green came in 1957 and was principal for the next three years.

This brings the school history up to the present. Mr. Eugene Morris comes to us from Pitt County to serve as principal.

A history of Nahunta School would not be complete without Mr. Milfred Aycock. At a meeting of the Nahunta Community Club in November of 1953, Mr. Aycock was presented a gold pocket watch. This watch, given by the people of the community, was inscribed on the back, "To Milfred Aycock - - for services to the Nahunta Community - - 1910 - - 1953.

Mr. Milfred served on the Nahunta School Board for 40 years. For 37 years he was chairman. He retired from the Wayne County Board of Elections as secretary, after 30 years of service.

Without a doubt, this is the last year of a high school at Nahunta. The consolidation plan for the northern part of Wayne County includes Nahunta.

Our school has always been the center of community progress. From the first graduating class in 1923 to the last in 1961, the community has worked together to move forward. The fact that a great percent of graduates have settled in the community, some after higher education, and some immediately after high school, is an indication of the community spirit and devotion.

**RETIREES FROM SCHOOL BOARD** — Milfred Aycock, center, has retired from the Board of the Nahunta school after serving for 37 years. He was honored at a community meeting held at the school last night. Senator Hardy Talton, left, is shown presenting Mr. Aycock with a gold watch bearing this inscription — "To Milford Aycock for services rendered to Nahunta School and community, 1910—1953. Others pictured are Mr. Aycock's wife, right; R. S. Proctor, superintendent of county schools, second from right, who spoke at the meeting; and Cleo Davis, chairman of the school board, second from left (News-Argus photo)

Our elementary supervisor, Mr. Ray Anderson, calls on teachers often to give supervision.

## Special Leaders Give Vital Service

Our new speech therapist, Mrs. Lucille Holland, works with students in grades 2 - 8 who need help with speech problems.

Under the direction of Mrs. Elmer Rackley, each grade has public school music. She also directs Junior and Senior Glee Clubs, which meet one hour a week.

Mrs. Alice Loftin, County Librarian, orders and catalogs books for our enjoyment.

On Monday and Thursday Mrs. Corinne Selby teaches piano. Recitals are given in December and May.

SCHOOL SONG

There's a dear old school Nahunta  
To us it is a dear one  
Where our love and truth and friendship  
Will never never die;  
Where the people are so friendly  
Our thoughts go back there daily  
To the school we love so dearly  
As we work there day by day.

As old glory flies above her  
With her colors brightly gleaming  
There the folks are ever happy  
As the birds in sweet spring time  
Forget Nahunta? Never!  
Our school we'll cheer forever;  
Her fame we'll always cherish  
As the years keep rolling on---

CHORUS

Where the dogwood trees are blooming  
And the skies are always blue  
To our high school alma mater  
We will ever be so true.  
And the moment that we're near her  
With a joyous shout we'll greet her  
For there's not a school can beat her  
For our hearts are young and gay.

# Senior Activity

With study, extracurricular activities, and relaxation, we seniors have had a glorious year.

After writing a world peace essay last year, Shirley, Braxton, and Doris realize it takes stacks and stacks of books to find enough material.

"Please don't get lost in New York, Lillian," warns Alma Linda as Lillian packs.

"Wait! Wait!" says Miss Holt to Susie and Lloyd, "you have one more exercise to finish in bookkeeping before you get this diploma."

Jerome, Braxton and Don are caught off guard at the break. Will some of these seniors ever become dignified?

Albert and Braxton prove boys can do a good job of decorating by doing so for the senior Christmas party which was December 23.

November 4, was a nervous night for the seniors when they presented their play, "Hot Ice."

February 12 was a gala day which marked the completion of the work on the yearbook begun last June.

## *Homecoming Game*

Quiet everyone! May we present our 1960-61 Homecoming Queen, Elizabeth Morris, escorted by Steve Aycock. Two other girls, Linda Pittman, escorted by Linwood Radford; and Maxine Whaley, escorted by Harry Sasser, were runner-ups.

These girls were chosen by the Warriors Club to reign at the Homecoming basketball game with Eureka, December 13.

"Shoot, Linwood, we are depending on you to bring up that score!" yells an excited spectator at the Homecoming Game.

Carolyn Lane displays her winsome smile as she places second in Miss Wayne County Fair Contest. She also represented us in the Miss Holiday Season Contest. Miss North Carolina of 1960, Judy Klipfel (right) crowned the queens.

The highlight of the Halloween Carnival, sponsored by the Community Club, was the crowning of the kings and queens. Kings and queens were Joan Gooding and Dwight Elmore; Peggy Winders and Albert Pierce; Billie Jean Fields and Jay Howell. The proceeds from the carnival went into the general fund of the school treasury.

For 33 years Mrs. Dora Fleming has been a familiar face at Nahunta. For many years, first graders knew her as Miss Collier. Later she moved to the third grade. Many students will remember her for her interest in music.

*... For*

"Now what did you want to tell me, Ray?" asks Mrs. Peacock, who always has had an interest in and love for each pupil she has taught. For 17 years, students at Nahunta have had the joy of learning to live together as one big family under her guidance.

## *Devoted Service Through*

*the Years . . .*

When students hear the fact that Columbus discovered America, their minds travel back to the fifth grade when Mrs. Louise Lewis gave them their first introduction to history. For 16 years students each year here have learned to appreciate the information revealed by Mrs. Lewis.

Each student will always remember the times each week he had the opportunity to express his creative art abilities under the competent direction of Mrs. Mozelle Gurley. She began teaching here 20 years ago as Miss Ricks. Her entire teaching career has been spent at Nahunta.

1960-61 F. H. A. officers were installed at the beginning of this year. Using F. H. A. colors of red and white made the program impressive.

"How long will this keep up?" This may happen in study hall, but there is always very much studying to be done after everyone gets settled.

Cold nights! This doesn't keep the young or the old from going to see Nahunta play a basketball game.

## School Activity

Grammar grades receive experience from chapel programs.

"Would you like to see me pull a rabbit out of my hat?" Hearing this question, students strain their eyes to follow the quick hand of the magician.

Juniors and Seniors look forward to climaxing the school year with class night activities.

The Student Council, composed of representatives from homerooms, discusses the problems and constructive ideas for the school and makes decisions.

## *Student Council*

Students enjoyed having Dickie Pierce, first president of the Student Council here, show slides and talk about his trip to Belgium as an International Farm Youth Exchange student.

All high school students enjoyed a joint Christmas party, with a program based on "Star of the East," and several Christmas songs, this was sponsored by the Student Council in the gym. Refreshments were served.

In spite of the chilly wind, students gave their attention to the flag that was being raised during the playing of the national anthem. This and speeches on citizenship were a part of the Veteran's day program sponsored by the Beta Club.

Lillian, Sue, Maxine, Elizabeth, and Linda set up games for Progressive Game Night.

To be a member of the Beta Club, one must have attained a scholastic average of 88 and be outstanding in character and service. Members are tapped in at the end of their sophomore year or at the time thereafter when they meet the standard.

Sue and Albert decorate the Woman's Club for a joint meeting with Pikeville and Eureka where plans for the club in the new school were discussed.

## *Future Homemakers of America*

Beau  
HARRY SASSER

Future Homemakers of America strive to improve personal, family, and community living.

An example of their projects is selling cards. Part of the money raised is used to give Bibles to needy families at Thanksgiving. It also helps to finance the Mother-Daughter Banquet.

"I've got the back seat," yells Carol to the others, as the F. H. A. and F. F. A. leave for the State Fair.

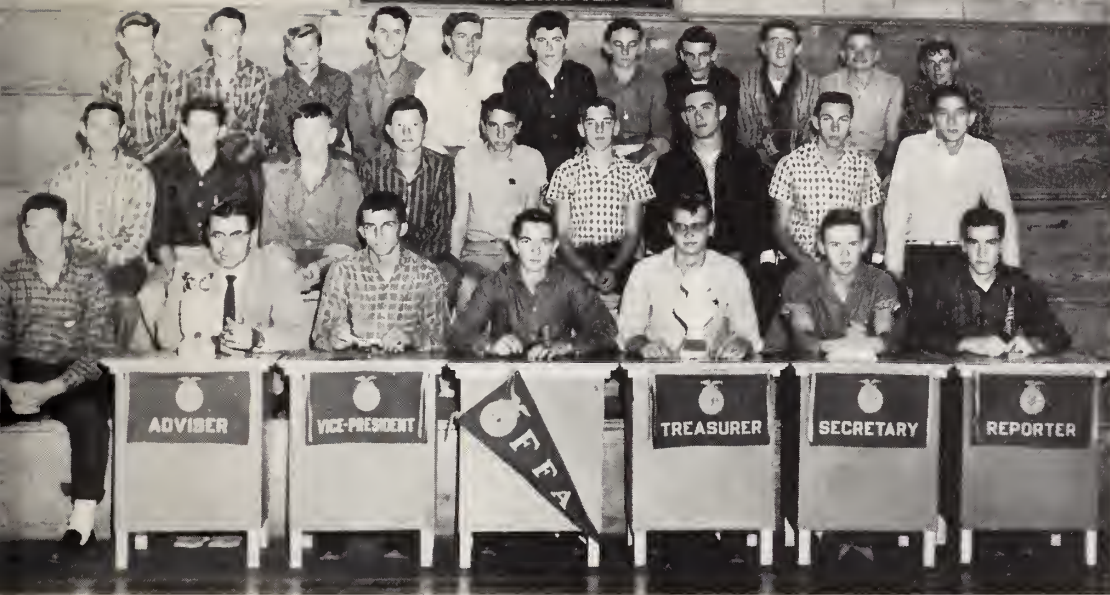

Janice, Linda, Lillian, Shirley, Doris, Sue, and Betsy are looking at a kit and deciding what part each will take in a Civil Defense program as one of their goals toward getting their State Homemaker Degree.

"Cards and more cards! How will we ever sell them?" Mrs. Scott discusses with Sue Home, high salesman, the fact that more cards were sold this year than in prior years.

## Future Farmers of America

Future Farmers of America follow the motto: Learning to do . . . , Doing to learn, Living to serve, and Earning to live.

Taking tours of fellow members' farms and repairing farm equipment give F. F. A. members a more complete understanding of agricultural work. The boys also become efficient in proper parliamentary procedure. They have had contests for tool identification and livestock judging, and public speaking.

Sweetheart  
REBEKAH WHALEY

"We did it!" Our club, by entering livestock and field crops, and winning the fair exhibit, won the plaque at the Wayne County Fair.

"What's this?" asks Jerry to Donald, J. K., Kenneth, and Fred, who were representatives of this year in the tool identification contest.

Finger printing was one of the many projects displayed at the Science Fair in March.

Senior Glee Club, made up of interested high school students, meets one day a week at a regular class period. This period is rotated during the year.

The Glee Club practices under the direction of Mrs. Elmer Rackley.

## *Glee Club*

Combines Joy of Singing with  
Musical Expression

The Junior Glee Club, made up of students from sixth, seventh, and eighth grades, meets weekly. Each grammar grade has two thirty-minute periods a week for public school music. Songs learned are often used for assembly and community programs.

*Piano  
Students*

Piano students taught by Mrs. Corrine Selby, present a recital twice a year.

*Toy  
Orchestra*

Toy Orchestra, composed of students of the first, second, and third grades, receives training in music from Mrs. Dora Fleming.

## Baseball

Jerome Hooks, as short-stop takes a successful throw to first base.

Nahunta has always been outstanding in athletics. For the past four years we have been county champions in baseball. Last year the team enjoyed a long season, since it was county, district, and regional winners. In the Eastern finals they lost to Lucama, thus placing in the top four in Class A. Although seniors of 1960 will not be part of this year's team, we still have Radford's pitching ability, Sasser as catcher; Jerome and Scottie Hooks, Pierce, and Pittman as veterans of last year's winning team.

Linwood, Harry, Roger, and Scottie discuss strategy.

Harry Sasser fields in a ground ball.

The county is divided into Northern and Southern Conference as in basketball. Thus the school plays an average of ten games. This year the new rule limits baseball to county games.

Albert Pierce gets set for the next pitch.

## Warriors' Club

The Student-Faculty game provided fun for everyone as well as money for the Warriors' Club.

Since the year 1949 Nahunta boys' and girls' teams have won eleven trophies in basketball. Of these the girls have won 2 county championships and 1 runner-up, while the boys have won 4 county championships and 4 runner-ups. In 1941 the girls won county championship.

Both boys and girls were county champions last year and are looking forward to another highly successful season. These accomplishments have been due to the hustling of a well-balanced team rather than performance of an individual star. Also a community which backs sports has been an asset.

School life at Nahunta is in the past; but we look to the future, a golden future, with anticipation and courage, because knowledge gained here means success as we open the gateway to our separate walks of life.
